Tickets

- "Tickets" to the show are **\$45 per household** and come in the form of a Zoom link.
- Available just in time for the holidays. Give the gift of laughter to everyone on your list!

Sponsorship Opportunities

- An ideal opportunity to advertise your business while supporting local high school students.
- Two levels of sponsorship available
 - **\$100 Donation** - company name listed in the Zoom waiting room, in all promotion/PR for the event and on our website. Includes one Zoom link to the show.
 - **\$250 Donation** - all of the above & your company will be mentioned as part of the performance.

The Importance of your Donation

- **All donations are needed and greatly appreciated.** We provide educational opportunities and services for students beyond what a typical budget can fund.
- The D230 Foundation was not able to hold our signature fundraiser this year due to COVID, but we still awarded grants to each of the three schools - Sandburg, Stagg, and Andrew.
- 2020-21 Grants in Action - the *Math in Construction* program has students using plans and power tools to build storage sheds on school grounds.
- Programs like this inspire academic, social and vocational excellence.
